Friday, March 1st 2024, Tivoli Hotel, Copenhagen, Denmark

Dear,

We are pleased to invite you to the upcoming seminar **Advanced and Metastatic Renal Cell Carcinoma (RCC) - Trials and Tribulations**, a comprehensive event dedicated to the latest advancements and challenges in the field of RCC.

Date: Friday, March 1st 2024

Venue: Tivoli Hotel, Copenhagen, Denmark

Format: Both on-site and online participation available

This seminar brings together esteemed experts from across Europe, including key faculty members from prestigious universities and hospitals in Denmark, Sweden, the UK, and the Netherlands. Our program includes insightful sessions on diagnostic techniques, systemic therapy, adjuvant immunotherapy, and more.

Highlights of the Seminar:

- In-depth discussions on the latest research and treatments in RCC
- Interactive sessions and case studies
- Networking opportunities with leading professionals in the field
- **Online and in-person participation options to suit your convenience**

We also encourage participants to submit their own cases **before february 15th** for discussion, fostering a collaborative and engaging learning environment.

Your presence and contribution would be highly valuable in making this seminar a success. We look forward to your participation in what promises to be an enlightening and engaging event.

Please reply by 15th February to confirm your attendance.
